

INSPIRED IN  
BARCELONA  
: IN & OUT

## INSPIRED IN BARCELONA: IN & OUT!" EXHIBITION AT PALAZZO ISIMBARDI

In the courtyard of Palazzo Isimbardi, the capital of Catalonia is displaying its creative potential with an exhibition curated by Emiliana Design Studio. "In & Out" is the subtitle chosen by the curators Ana Mir and Emili Padrós (both 1969), aiming to describe how the citizens of Barcelona like to live outdoors.
